*Price Includes: China, Glassware, Soft Drinks*

*Operating fee of 20% - Does not include staff gratuities.*

*The service / operating fee is a fee that is added to act as an operating cost for expenses such as insurance, advertising, administrated staff, maintenance and day to day operations. So, while a catering contract may show a breakdown of the event elements and their costs, the service charge also helps cover the cost of the rentals and hours needed to prep and plan each event.*
