Plus 20% Service Charge and 6.625% Sales Tax
(Minimum of 50 people)

Price Includes: China, Glassware, Soft Drinks
Operating fee of 20% - Does not include staff gratuities.
The service / operating fee is a fee that is added to act as an operating
cost for expenses such as insurance, advertising, administrated staff,
maintenance and day to day operations. So, while a catering contract
may show a breakdown of the event elements and their costs, the
service charge also helps cover the cost of the rentals and hours needed
to prep and plan each event.
