**Plus 20% Service Charge and 6.625% Sales Tax  
(minimum of 50 people)**

**Price Includes: China, Glassware, Soft Drinks**

**Operating fee of 20% - Does not include staff gratuities.**

The service / operating fee is a fee that is added to act as an operating cost for expenses such as insurance, advertising, administrated staff, maintenance and day to day operations. So, while a catering contract may show a breakdown of the event elements and their costs, the service charge also helps cover the cost of the rentals and hours needed to prep and plan each event.
